## Spotts Seafront Site – US\$ 500,000 Discount!

An absolute steal at this price – selling for US\$500,000 below the current 2024 market valuation. This is a picturesque location in Spotts within a very peaceful and tranquil area, directly on the Seafront and next to a huge wellness park that is planned by government – so, a desirable and natural attraction right next door for any development on this parcel.
